Morning Glory
Red-hot Poker
Lantana
Sweet Pea
Gayfeather
Lupine
Bee-balm
Catmint
Nicotiana
Penstemon
Petunia
Obedient Plant
Salvia
Soapwort

Water

Birds need water. Provide water in traditional pedestal birdbaths, in hanging birdbaths and in shallow trays scattered among your flowerbeds, near shrubs or at the base of birdfeeders.

With a few selective plantings and plenty of water to drink your backyard will become a haven for a variety of birds.
